

QUEER COMING OF AGE

Name _____

A Becky Albertalli Reading Challenge

Much of beloved author's Becky Albertalli's work explores identity, self-discovery, and coming of age in a world that seeks to define us before we have defined ourselves. She encourages us to read a variety of coming of age stories, many of which include unpacking queer identity. Becky also highly recommends that readers check out other books by the authors listed in this challenge.

Add these books to your TBR list and mark them off as you read!
