

A Jasmine Warga Reading Challenge

Jasmine Warga's work explores identity, belonging, and what it means to grow up between cultures. She has noticed that many readers end up reading only the work of American authors. She wants us to recenter the human experience, beyond borders, and has an adult list to get us started! As Jasmine notes, "Literature can help us feel connected beyond borders and nationality."

Add these books to your TBR list and mark them off as you read!
